

**TOWN OF WELLESLEY
DEPARTMENT OF PUBLIC WORKS
ENGINEERING DIVISION**

Douglas R. Stewart, P.E.
Assistant Town Engineer

TO: Richard H. Brown, Planning Director

DATE: July 14, 2008

SUBJECT: **978 Worcester Street PSI-08-01**

Please be advised that the Department of Public Works (DPW) Engineering Division has completed its review of the DPW related infrastructure items in the Municipal Systems Impact Analysis prepared for the subject project. We have concluded that the analysis adequately addresses the impact of the project on the Town's water, sewer stormwater drainage, and refuse disposal infrastructure components as required by the Planning Board's rules.

Should you have any questions relative to this matter, please feel free to contact me.
